## Newsletter - Spring 2019

Hello everyone! Hope you all had a good winter and are ready to come out to our spring and summer activities.

**Hockey** finished up mid March with our annual game against the OPP Auxiliary. I think it was the best-attended game ever – the arena was full of cheering fans – what a great way to end the season.

**Baseball** season will begin Saturday, May 25th at Kinsmen Park in Simcoe. Games start at 10:00 AM, but please arrive by 9:45 so we can get everyone organized. Complete the attached registration and t-shirt form and return them to me with your \$40 registration fee, making cheques payable to **South Coast Special Needs Kids**. **Deadline for registration is May 1st – registrations received after that cannot be guaranteed a baseball jersey.**

Last year several families worked together to see that the equipment arrived at the ball diamond every week and was safely stored between games. Thank you to all involved, and I hope we can make the same arrangements this year. Our organization runs on volunteer power! These volunteers might be parents of a player or a community member who just wants to be involved – if we all pitch in it lightens the load and everything gets done.

**\*\* Please note per the schedule that we will not play on long weekends.**

Team Shirts will be handed out at the diamond, and all players are asked to wear their team shirt to each game.

**Please mail cheque, registration, t-shirt and volunteer forms (for buddies) so they arrive to me by May 1<sup>st</sup>.  
Diane Vrooman, 46 Berkley Crescent, Simcoe N3Y 2K5**

Reminder – all ball players needing a buddy are required to bring their own to baseball, and all buddies and volunteers on the ball field must complete and return the Volunteer form to me.

**Please note:** only registered players (a registration form must be completed) with their buddies (if a buddy is required) will be allowed on the baseball field to play – this is for liability purposes, so please understand. Also, players must have an adult buddy; parent or guardian on the grounds while the game is going on. In the event of an injury to a player the parent or guardian must be immediately available. Please do not smoke at the ballpark – it is a smoke-free zone – thank you.

### **Golf**

The single rider golf carts reside at Springview Farm Golf Course in Waterford. **Ron Guthrie coaches all summer long on Wednesday evenings at 4:30 PM starting May 29<sup>th</sup>. If you are interested in attending please complete the attached golf registration form and volunteer form and return it to me. This is not a drop-in event – you must register by April 25th, and we can accommodate a maximum of 6 golfers. All participants must be accompanied by a responsible adult.**

If you would like to use one of the carts at a time other than Wednesday evenings, contact Springview (519) 443-0589 to reserve the cart and a Tee Time.

Regards,
